Goals for 2016-2017

- Our students will observe, investigate, collect data, think, reason, and draw conclusions through hands-on, inquiry-based education.
- The school will strengthen academic rigor in all classrooms by immersing students in curriculum that is challenging and provides multiple access points for all students.
- Provide relevant and challenging curricular projects for all students to demonstrate mastery of the standards while providing opportunities for higher order thinking and questioning.

PS 243 WEEKSVILLE ELEMENTARY SCHOOL

School Description

The Weeksville School is an elementary school with 273 students from pre-kindergarten through grade 5. The school population comprises 80% Black, 17% Hispanic, 1% Asian, 1% White and 1% American Indian students. The student body includes 4% English language learners and 12% special education students. Boys account for 49% of the students enrolled and girls account for 51%. The average attendance rate for the school year 2015 - 2016 is 90.6 %.

The mission of the Weeksville School is to produce literate, lifelong learners who are visionary and productive, aware of self, accepting of cultural differences, sensitive to others, and who apply knowledge to make morally responsible decisions in an ever-changing global society. We will accomplish this by providing a challenging, relevant, multicultural, integrated curriculum taught by a caring, competent, motivated, accountable staff, committed to the success of all students, in a safe, orderly environment conducive to learning in partnership with our entire parent community.
